

# HERE IN MY LIFE

---

Hillsong

## INTRO:

E-F#-G#m-E

## VERSE 1:

B E  
I have never walked on water  
B E  
Felt the waves beneath my feet  
B  
But at Your word Lord  
E G#m  
I receive Your faith  
E F#  
To walk on oceans deep  
G#m  
And I remember  
B F#/B  
How You found me  
F#  
In that very same place  
E  
All my failings  
G#m  
Surely would have drowned me  
E  
Still You made a way

## CHORUS:

B F#/B  
You are my freedom  
C#m  
Jesus You're the reason  
E2 B  
I'm kneeling again at Your throne  
F#  
Where would I be  
C#m7  
Without You here in my life  
E  
Here in my life

## VERSE 2:

B E  
You have said that all the heavens  
G#m E  
Sing for joy at one who finds  
B  
The way to freedom  
E  
Truth to Jesus  
G#m E F#  
Bought from death into His life  
G#m  
And I remember  
B F#/B  
How You saw me  
F#  
Through the eyes of Your grace  
E  
And though the cost was  
G#m  
Your beloved for me  
E  
Still You made a way

## BRIDGE:

E F#  
You are my freedom  
G#m E  
Jesus You're the reason
