

LORD OF ALL

Jose Villanueva III

VERSE 1:

I surrender, I will yield
I will bow down, I will live
I will seek You all my days
I will follow all Your ways

PRE-CHORUS:

'Cause You are my only one
You are my only one

CHORUS:

I wanna live for You
Be glorified forever
My life will declare
That You alone are Lord
Everything of me
Use it for Your glory
That everyone will see, will hear, will know
That You are Lord of all

VERSE 2:

I will worship, I will praise
I will lift up, Your holy name
I will give You, all the glory
All the honor, due Your name

BRIDGE:

Here I am Lord mold me
Here I am Lord use me
Here I am Lord send me
For Your glory
