

# SCARLET HANDS

---

*Mia Fieldes / Aaron Watson*

## **VERSE 1:**

Where brokenness and mercy meet  
How gently shall redemption speak  
For live like ocean waves did break  
Upon the shores of sin and shame

## **VERSE 2:**

To You my heart will sing O God  
For O what lover keeps His song  
In Spirit and integrity  
To join the song the heaven's sing

## **CHORUS:**

Scarlet hands that bled for me  
Servant King my everything  
I kneel before You once again  
Surrendered now to scarlet hands

## **VERSE 3:**

When sorrow tries my hope to kill  
To worship I have reason still  
For light will pierce the darkest night  
And peace shall be my lullaby

## **VERSE 4:**

The time will fade to afterthought  
Into forever shall I walk  
In glory's shadow ever free  
Redeemer and redeemed to meet
