

# STILL GOD

## *Elevation Worship*

### INTRO:

Dm – Csus – F/A – Bb

### VERSE 1:

                  Dm                  Csus  
Until the storm has ceased  
                  F/A                  Bb  
Your voice will rise above the seas  
                  Dm Csus                  F/A Bb  
We will not fear,          You are still God

### VERSE 2:

                  Dm                  Csus  
Here in the waters deep  
                  F/A                  Bb  
Your hand will always be beneath  
                  Dm Csus                  F/A Bb  
We will not fear,          You are still God

### CHORUS:

F                  Csus  
We lift our eyes          to You most high  
                  F/A  
Forever be exalted  
                  Bb                  F  
Forever You will be exalted  
                  Csus  
Our help will come,          from You most high  
                  F/A  
Forever be exalted  
                  Bb  
Forever You will be exalted

### VERSE 3:

                  Dm Csus                  F/A Bb  
Beyond eternity          You reign with all authority  
                  Dm Csus                  F/A Bb  
And now You're near,          You are with us

### VERSE 4:

                  Dm Csus                  F/A  
Impossibility          remains no longer  
                  Bb  
When you speak  
                  Dm Csus                  F/A Bb  
And now You're near,          You are with us

### BRIDGE:

                  F                  C  
Before the world began, it wasn't spoken yet  
                  Dm7 F/A                  Bb  
You were still God,          and You are still God  
                  F                  C  
After Your final breath, it wasn't over yet  
                  Dm7 F/A                  Bb  
You were still God,          and You are still God

                  F                  C  
Before the world began, it wasn't spoken yet  
                  Dm7 F/A                  Bb  
You were still God,          and You are still God  
                  F/C  
No weapon formed against  
                  C  
Has stopped Your promises  
                  Dm7 F/A                  Bb  
You were still God,          and You are still God  
                  Dm7 F/A                  Bb  
You were still God,          and You are still God
