

# STILL GOD

---

## *Elevation Worship*

### **VERSE 1:**

Until the storm has ceased  
Your voice will rise above the seas  
We will not fear, You are still God

### **VERSE 2:**

Here in the waters deep  
Your hand will always be beneath  
We will not fear, You are still God

### **CHORUS:**

We lift our eyes to You most high  
Forever be exalted  
Forever You will be exalted  
Our help will come, from You most high  
Forever be exalted  
Forever You will be exalted

### **VERSE 3:**

Beyond eternity You reign with all authority  
And now You're near, You are with us

### **VERSE 4:**

Impossibility remains no longer  
When you speak  
And now You're near, You are with us

### **BRIDGE:**

Before the world began, it wasn't spoken yet  
You were still God, and You are still God  
After Your final breath, it wasn't over yet  
You were still God, and You are still God

Before the world began, it wasn't spoken yet  
You were still God, and You are still God  
No weapon formed against  
Has stopped Your promises  
You were still God, and You are still God  
You were still God, and You are still God
